

100-1454

MEMORANDUM FOR: Assistant Director for Personnel

SUBJECT: Legislation Needed or Desired by the Agency

1. Attached are the following analyses of legislation which is considered needed or desired by the Agency in order to develop its personnel management program:

a. Chart presentation of needed legislation, DuFlon Committee activity, and proposed methods of enactment.

b. Personnel legislation needed by CIA (A summary of the recommendations of the Legislative Task Force)

c. Memorandum for Assistant Director for Personnel from Chief, Planning and Analysis Staff, Recommendations Concerning Proposed Legislation Needed by the Agency, dated 24 November 1954.

2. It is considered that this report to you will be useful in a discussion of such legislative problems with the DuFlon Committee prior to informing the Clark Committee of our legislative plans.
